What we do

How does CBC Federal Credit Union protect my personal information?	To protect your personal information from unauthorized access, we use security measures that comply with federal law. These measures include computer safeguards and secured files and buildings. We also have strict policies, vendor requirements, and staff training all designed to protect your personal information and privacy. See below for more information about security.
How does CBC Federal Credit Union collect my personal information?	We collect your personal information when you: <ul style="list-style-type: none"> • Open an account or apply for a loan • Use your debit card • Perform transactions or pay your bills In addition to collecting information from you, we also collect your personal information from others, such as credit bureaus.
Why can't I limit all sharing?	Federal law gives you the right to limit only: <ul style="list-style-type: none"> • Sharing for affiliates' everyday business purposes – information about your creditworthiness • Affiliates from using your information to market to you • Sharing to non-affiliates to market to you State laws and individual companies may give you additional rights to limit sharing. See below for more on your rights under California law.
What happens when I limit sharing for an account I hold jointly with someone else?	A request by one party will apply to all parties on the account.

Definitions

Affiliates	Companies related by common ownership or control. They can be financial and non-financial companies. CBC Services Organization, Inc. & Insurance Agency is an affiliate of CBC Federal Credit Union with whom we share member information.
Non-Affiliates	Companies not related by common ownership or control. They can be financial and non-financial companies. CBC Federal Credit Union does not share your personal information with non-affiliates, except with your written consent or as authorized by law to carry out transactions you ask or authorize us to perform for you.
Joint Marketing	A formal agreement between non-affiliated financial companies that together market financial products and services to you. CBC Federal Credit Union is responsible for all mailings to members and does not disclose your information to any non-affiliated financial companies.

Other important information

California law provides that your non-public personal information may not be shared with non-affiliated parties without your written consent, except as specifically permitted by law. This is often called an "opt in" requirement.

Personal Information	When you visit cbcfcu.org, we automatically receive and store certain types of information, such as the content you view, the date and time that you view this content, the products you purchase, or your location information associated with your IP address. We use the information we collect to serve you more relevant advertisements (referred to as "Retargeting"). This is statistical information used to monitor the usage of our website and for advertising purposes. This information does not include personal information.
Cookies	As you browse cbcfcu.org, advertising cookies will be placed on your computer to help us predict your interests. Our display advertising partner enables us to present you with retargeting advertising on other sites based on your previous interaction with cbcfcu.org. The techniques our partners employ do not collect personal information such as your name, email address, postal address or telephone number.
Security	For your protection, our website is supported by a secure server to ensure your personal information, including account information, is tightly safeguarded in accordance with industry standards.

For your security, emails sent from the CBC Federal Credit Union website to CBC Federal Credit Union are encrypted. Additionally, we will only use your email address to respond to your email or to provide information related to CBC Federal Credit Union.

CBC Federal Credit Union is not responsible for the privacy practices of any linked websites.
